

**GOVERNMENT OF ANDHRA PRADESH
DIRECTORATE OF MEDICAL EDUCATION: ANDHRA PRADESH: VIJAYAWADA**

Rc.No.11269/P1/2017-19

Dt: 14-11-2019.

NOTIFICATION

Applications are invited from the eligible candidates for appointment on contract basis for the post of Managing Director of Andhra Pradesh Medical Technology Manufacturing Park at Visakhapatnam.

Andhra Pradesh MedTech Zone Limited (popularly known as **AMTZ**) is an enterprise under the Government of Andhra Pradesh, a 270 Acre zone, dedicated for Medical Device Manufacturing. The objective behind this '**One-Stop- Solution**' is not only to reduce the cost of manufacturing up to 40% or to just simplify the end-to-end operations but also to reduce the import dependency, which is presently around 75%. **AMTZ** envisions to put India on the global map of high end medical equipment production and make health care products affordable and accessible not only for India but for world at large.

The creation of such a zone is based on the fact that medical devices manufacturing requires certain high investment facilities which are too capital intensive for individual manufactures to invest upon. The zone with in-house high investment scientific facilities would help manufacturers reduce the cost of manufacturing by more than 40%-50%. Currently, due to lack of such centrally located sharable facilities, either manufacturers do not undertake production of technologies requiring them or send their products abroad for process up-gradation and value addition. While the zone would have all such facilities in-house to reduce manufacturing process costs, it would be in an area which is well connected with Railways, Roadways, Waterways and Airways with near presence of Industrial Corridors, and Port to reduce logistical costs.

The executive committee has met for selection of the Managing Director of **Andhra Pradesh MedTech Zone Limited**, Visakhapatnam.

Sl.No	Designation	Consolidate salary per month & Perks
1	Managing Director	Negotiable

P.T.O

1. Qualifications:-

1. Must have passed PG from recognised university, with MBA
2. Post Qualifications experience at any reputed institute either Govt/private is preferred.
3. 45 years of age limit, not more than 60 years
4. Minimum 10 years of Experience in Pharma Industries/ Medical Equipment/ Disposal Manufacturing enterprises.

2. Duration of the period : 3 Years

3. Application fee : Rs.5,000/-

4. Role of Duties and Responsibilities:-

The production of good quality, low cost and standardized technology manufacturing capacity contributes to the agenda of improved access to affordable healthcare and aids to economic growth through industry promotion and employment generation. India continues to import 78% of its medical technology requirements despite having large human resources and strong presence of IT. To address this grim situation, several policy level initiatives have been taken at national level. Department of Pharmaceuticals has been named nodal agency for Medical Devices Promotion.

Lack of domestic manufacturing of medical devices is the main reasons for import dependency and high cost of medical products and services in the country. To address this situation, Govt. of Andhra Pradesh aims to establish country's first Medical Technology Manufacturing Park (MTMP) at Vishakhapatnam. The goal of this progressive initiative would be to make Andhra Pradesh an internationally recognized manufacturing hub for medical devices, help in national agenda of import substitution, make Andhra Pradesh a leader in medical technology exports, generate employment, and contribute to volume generated cost reduction of medical devices for patients.

The creation of such as park is based on the fact that medical devices manufacturing requires certain high investment facilities which are too capital intensive for individual manufactures to invest upon. A park with inhouse high investment scientific facilities would help manufacturers reduce the cost of manufacturing. The park will provide for certain capital intensive facilities required by most medical device manufacturers and modern state of art independent manufacturing units, each of a built-in ready to use area.

Last date:

Filled in application along with all certificates & DD for Rs. 5,000/- in favour of Director of Medical Education, AP., Vijayawada should reach to the Directorate of Medical Education, Andhra Pradesh, Old Government General Hospital premises, Hanumanpet, Opp.Thummalapalli Kalakshtram, Vijayawada-520003, on or before 5 PM of 30-11-2019.
