Dt 25-05-2020

REMAINDER

Sub: DME – NE- COVID-19- Certain information called for regarding the General Nursing and Midwifery 3rd year students -Request for immediate response from the Principals- Remainder to the principals- Reg.

Ref: This office Lr Rc no.SPL/NE/2020 Dt. 23-05-2020

In the reference cited above, previously all the Principal's of both Government and Private Schools of Nursing in the state are directed to submit certain personal details of 3rd year GNM students in the official DME website. So far only 88 institutions have uploded the data and still **146 institutions are pending** for uploading the students data.

Hence, all the principles of the GNM schools of nursing in the state are once again strictly instructed to upload the students data immediately to avoid further complecations.

Treat this as most important.
